Wallace

Thursday, July 12 @ 3:00PM – 4:00PM

RB digital & Glass E-book Class

Come join Ms. Carol Angleton and Sandra May: as they explain how to begin enjoying the world of E-books, Audio Books and magazines. They will help you access your new world of intellectual learning right at your fingertips.

National Library Services is a free braille and talking book library service for people with temporary or permanent low vision, blindness, or a physical disability that prevents them from reading or holding the printed page. Whereas, RB digital is for the rest of us who can hear and see and enjoys entertainment through listening and reading on our mobile devices. Class will be held in the Computer Lab. Please register at the Reference Desk or by calling 706-722-6275; space is limited.

Wallace

Tuesdays & Thursdays, beginning July 24 @ 11:30AM – 12:00PM

Adult Zumba Fitness Wii Class

Seniors Tuesdays and all adults on Thursdays: This program offers something fun and interesting while focusing on activities that get seniors in motion. It will combat afflictions such as arthritis and osteoporosis. Yet while the body slows down and balance is hindered, exercise will impede the progression while offering many other benefits. Seniors must remain active, physically and mentally, because it is exercise that can fight these golden years' conditions. Please register at the Reference Desk or by calling 706-722-6275; space is limited.

Wallace

Thursday, July 5th @ 1:00PM – 2:00PM

Genealogy Class

Come join Ms. Shelia Hollomon as she explains how to begin the search for your great ancestors. She will help you access Ancestry.com- the world's largest collection of online records. A family tree takes you back generations. Class will be held in the Computer Lab. Please register at the Reference Desk or by calling 706-722-6275; space is limited.

Adult Bath Bombs Class

Sometimes the best way to end a day is with a warm bath bomb bath. Reader's Digest Lauren Rearick says in her Stress Reduction article, "a Grown-Up Bath Is the Stress Melter You Need at the end of your day." Unfortunately, buying bath bombs frequently can really be costly. Save money by attending our DIY bath bomb class. Plus, you can customize based on your favorite fragrances. Please register at the Reference Desk or by calling 706-722-6275; space is limited.

DNA: The Newest Game in Town

What is it and How Can I Play?

Presented by Pamela L. Aban, MLIS, SLIS

Please join us on **Wednesday July 18, 2018 at 2:00 PM** in the HQ Library 3rd Floor Computer Lab as we learn the basics to get started using DNA to help find relatives and further your genealogy research. We will cover a simple and understandable explanation of genetics, the types of DNA tests that are available, the major DNA testing companies for genetic genealogy, some free third-party tools to analyze your DNA results, and resources to further your knowledge of genetic genealogy. If you have already taken a DNA test, make sure to remember your login information if you have a question about your DNA results. While this class will not cover in detail the tools and techniques in solving adoption cases or unknown parentage situations, this class will provide the basics to get you started in that direction. ***Space is limited so call (706)826-1511 to reserve your spot!***

Pam Aban is a librarian and genetic genealogist. She holds a Bachelor of Science in Biology, a Masters and Specialist of Library and Information Science degrees. She has been researching her family tree for well over thirty years, and she has been interested in genetics for just as long. She is currently working to become a Certified Genealogist® through the Board for Certification of Genealogists.

UPCOMING PROGRAMS

One-on-One Help for Beginners

From July through September 2018, the staff of the Georgia Room is offering one-on-one sessions for library patrons interested in genealogy. If you have just started researching your family history but need a little guidance we will sit down and work with you to develop a plan for moving forward. Sessions will last no more than one hour and are geared towards assisting individuals who are at the beginning stages of their genealogy quest. Each hour long session is **by appointment only**, so call (706)826-1511 to reserve your slot.

DNA Q&A

Presented by Michele Simmons Lewis

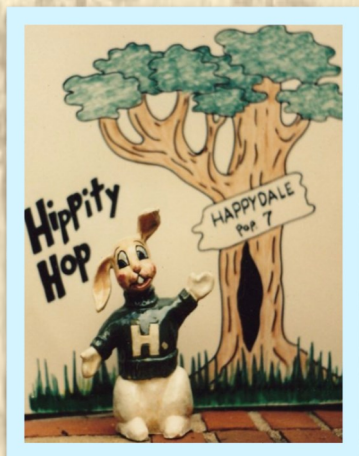

Have questions on how DNA testing works? Already taken a test and don't know what to do next? Join us in the Georgia Heritage Room on **9 August 2018 at 2:30pm** to get your answers.

Michele Simmons Lewis, a professional genealogist, will be here to answer those burning questions. This session will not be a traditional lecture but rather an informal session in order to allow participants to get specific answers.

EXHIBIT

Hippity Hop hops to the Georgia Room
