

Reference Code: MS 149

Repository: Georgia Room, Augusta-Richmond County Public Library System, 823 Telfair St. Augusta, GA 30901

Title: City Council of Augusta Raw Water Pumping Station

Date: July 27. [1944] – ca. 1964

Extent: 1 box

Scope and Content: Journal records a personnel list, various statistics, and sketches relating to a water pumping station in Augusta, Georgia.

Name of Creator: Cook, J. R.

Administrative/Biographical History: Donor unknown

Going by evidence gleaned from the artifact. J. R. Cook was the engineer in charge of the pumping station from 1944 to approximately 1964, given that 1964 is the oldest data point we have discovered. A note written in pencil states "This book was not kept up after Mr. Cook died."

Conditions governing access: restrictions Journal is fragile
